

SEASONAL EQUIPMENT OPERATOR/MAINTENANCE EMPLOYEE

R.M. OF BLAINE LAKE No. 434

Date Posted:

The Rural Municipality of Blaine Lake No. 434 is presently accepting applications for the position of Seasonal Equipment Operator/Maintenance Employee with duties to start in spring 2019 (typically April 15th). The R.M. is located approximately 1 hour north of Saskatoon.

Key Duties and Responsibilities:

- Maintenance of all municipal infrastructure including but not limited to roads, culverts, signs and community well site.
- Operate a grader, backhoe, payloader, mower and other types of equipment to complete road maintenance including grading, mulching, culvert installation, snow removal and ditch mowing.
- Ensure roads are maintained and repaired on a priority basis.
- Manage and maintain shop inventory, log work, log and report inspections and ensure safety procedures are followed and fully maintained.
- Service and maintenance of equipment as required.
- Ability to schedule and prioritize work and report to council regularly on activities and related issues.
- Good interpersonal skills and ability to establish effective working relationships with council, staff, contractors and ratepayers.

Your resume should include:

- Past and present work experience.
- Education and skills.
- Two references.
- A current driver's abstract.
- Power Mobile Equipment Certification.
- Expected salary.

The R.M. wishes to thank all who applied, however only those individuals with interviews will be contacted.

Please submit resume to:
