Council is pleased to announce that the logo and branding for the Town will be updated in 2025, an objective of the Strategic Plan. A *contest* will be held with more details in the upcoming weeks.

Council authorized the transfer of an additional acre to the *Prairie Spirit School Division* to ensure more than adequate space for the new playground.

Council members will meet with the Blaine Lake Library Board in the next month to understand the requirements *to move the library from its present location* to the new Blaine Lake Community Centre.
