AUGUST, 2013

ISSUE EIGHT

The Town owns several vacant lots throughout Blaine Lake and it has been brought to our attention that some residents are parking vehicles or recreational equipment on these properties. Please be aware that in the future, The Town will be impounding any vehicles or other articles being placed on these lots and the items will not be released until impound fees are paid. If you want to park an item on a piece of property that does not belong to you, please check with the owner prior to parking it there.

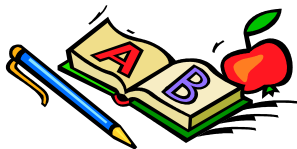

Please be a responsible Pet Owner and remember that when your dog or cat is not on your property it must be on a leash! When you have your pet out for a walk, remember YOU MUST CLEAN UP AFTER YOUR PET. Pick up and dispose of your pet's feces in a sanitary manner. Let's keep our parks and public areas clean and safe for everyone's use.
