

Dog/Cat Licenses

2014 Pet licenses are now due. License rates are: \$15.00 for spayed or neutered non-restricted dog or cat; \$30.00 for non-restricted dog or cats that are not spayed or neutered; and \$60.00 for a restricted dog. Licenses must be renewed by February 28th, 2014. After that date, the Bylaw Enforcement Officer will be ensuring that all pets in the Town are licensed and the owners of pets that are not licensed will be fined \$40.00 in addition to the license fee.

Pet Owners are now able to purchase a license for their dog or cat that is good for the lifetime of their pet. The lifetime license fee for a spayed or neutered dog or cat is \$50.00; or for an unaltered dog or cat is \$100.00. Permanent, lifetime, pet licenses will not be issued to a restricted dog.

This license is not transferable to another pet and once purchased no refunds would be made to the purchaser regardless of the circumstances.

Curbside Recycling

Town Council is excited to announce that we will be moving to curbside recycling. We expect to roll out the "blue bins" starting in March 2014. The "blue bin" that is located beside SARCAN has been so popular with our Community that Council felt it was time to make it even easier for the Town of Blaine Lake to be "Green"

"Imagine No Bullying"

Blaine Lake Composite School student leaders are proud to present Codie Prevost and the "Imagine No Bullying" campaign on April 7th. Our student leaders are excited for Codie to come to our school and share his message. He will begin with a school performance and then visit each classroom. After school he will hold a press release and then an evening community performance @ 7 pm in the Blaine Lake School Gym.

Our school student leaders have been working hard over the years to create a positive environment and school climate. Last year we hosted a "pink day" and raised money to buy a pink t-shirt for every student and staff member in our school. Our students created a performance with the theme of "make things better everyday"! We invite any and all community (and surrounding communities) members to join us. Help us support our students in their efforts to make the world a better place.
