

NO LORAAS DISPOSAL COLLECTION ON

Friday, May 2nd and

Friday, May 9th, 2014

Due to the heavy amount of precipitation we have received over the last week our streets continue to be very soft. Therefore, in a continued effort to minimize damage to our streets caused by large, heavy trucks and equipment, Council has had to cancel household garbage pick up and household recycling pick up for the next 2 weeks.

A large Loraas waste bin has been placed at 212 Main St. Resident's can bring their household waste to this location and dispose of it in the bin during this time.

We regret any inconvenience that this may cause, and thank you for your understanding and assistance.
