

Mayor's Message

Fall is officially upon us and guess what comes next.....winter and snow removal. The Town has had a very hectic summer in dealing with our water and sewer infrastructure, swabbing of water lines, old connection straps, saddles corroding, isolation valves not working properly, hydrants leaking, projection pumps going "wacky", pink water, red water, too much chlorine, not enough.....I think we have the majority of these problems to the Sask Water Engineer's "specifications and requirements". Our Communities in Bloom Committee and Volunteers once again have done us very proud, the hanging baskets and flower pots were beautiful. We have repaired 4 sections of our streets to alleviate frost boils. After much lobbying of the Prince Albert Health Region our blood work clinics have been returned to a weekly basis. Please phone and book your appointment . Lab Hours are Tuesdays 9:00 to 11:30 am. Thanks to the Town Workers for their diligent work on keeping the grass mowed. Thanks to those Town residents who have cared for their yards and gardens. The Town would like to encourage everyone to attend the Blaine Lake Community Association's Fall Supper on October 26th at the school gym.
Mayor Andy Ciona

The Blaine Lake Medical Lab will now be open every Tuesday from 9:00 to 11:30 am.

Thank you to everyone who sent letters to PA Parkland Health asking to have our Lab return to being open one day a week, they finally granted our request.
