Dear Blaine Lake Citizens,

## **Best Wishes to Everyone!!!**

You have just recently elected me as your new Mayor as well as six Councillors. We would like to thank you for your support and your trust. We will strive to represent you fairly in an effort to make Blaine Lake the Community we all envision it to be.

Council is committed to addressing the following issues:

1. Improve streets over the next few years.
2. Make a decision on the Water Treatment plant based on Engineering studies recently received.
3. Look into getting a cross walk on Main Street to the Bank.
4. Consider the needs of Seniors, Youth and Families as we move forward in our planning.
5. Attract new businesses
6. Continue to improve the appearance of residences and businesses

Over the past few years we have accomplished a lot and want to follow up on that success. The 16-43 Waste Management Facility (Intermunicipal) near Hafford has made great strides and will be open soon. We are already taking in some appliances and scrap steel as well as grain bags from the RM of Douglas. The compactor will be installed soon and up and running in a few weeks. This is an exciting project.

Thank you to our Administrator, Anna Brad, Administrative Assistant, Darcie Glencross, Town Foreman, Russ Krysak; Maintenance Staff Andre Lapointe and Ron Katchorek and Transfer Station Attendant, Randy Hoy for their work and dedication.

On behalf of "The Mayor, Council, and staff I would like to wish you "A Very Merry Christmas" and "A Happy New Year" Thanks again for your Support!!!!

Sincerely

Mayor Sorenson & Town Council
