Annual Water Billings

The option of being billed annually for water, sewer and waste disposal service is available to all local residents. People choosing to pay this way are billed for the entire year in January and given a 5% discount. The only time a person would receive a bill or need to pay more than this is when their quarterly consumption exceeds the maximum usage of 9900 gallons per quarter, and then they are just billed for the overage. This year the annual billing will be \$911.00. (including the discount).

Any resident, who is not already being billed annually but is interested in being billed for water, sewer and garbage on an annual basis (once per year) can contact the Town Office for more information.

Licenses must be renewed by February 29th, 2016.
