

## Open Air Fires in Town

The only burning that is permitted in Town must be done in a non-combustible receptacle constructed of cement, brick or sheet metal with a minimum 18-gauge thickness and it must be covered with a heavy gauge screen with openings not to exceed 13 mm. The only thing that can be burnt in the fire pit is **seasoned wood or charcoal**. Fires must be supervised, properly ventilated, and the smoke from the fire must not interfere with another person's use and enjoyment of their property.

## CLEAN UP AFTER YOUR PETS

Residents are reminded that all dogs or cats must be licensed, and kept on a leash when not on their owner's property. If a dog or cat defecates (pooops) on any public or private property other than the property of the owner, the owner is responsible to immediately remove and dispose of the feces in a sanitary manner. Pet owners must also remove animal feces from their own property in a prompt and sanitary manner. Thank you for your co-operation.
