June 2018

## From the Mayor's Desk:

I would like to give a big shout out to the Girl Guide organization for all their help with the Communities in Bloom committee as well as the other volunteers and organizers. Their help and enthusiasm was greatly appreciated and it was a great opportunity for young and old to work together to beautify our Town.

The frost has started to come out and has created lots of boils this year. We will have them fixed in the next week or so depending on the weather. Please be patient as we have this work done. The town is intending on replacing the last 6 (we hope) of the damaged or obsolete fire hydrants this year.

Please watch out for children on our streets as they are not always looking out for danger or paying attention as they walk or ride bikes to and from school. Slow down as you approach them. Have a safe summer as we travel to friends and family or to the lakes.

## **CLEAN UP AFTER YOUR PETS**

Residents are reminded that all dogs or cats must be licensed, and kept on a leash when not on their owner's property. If a dog or cat defecates (poops) on any public or private property other than the property of the owner, the owner is responsible to immediately remove and dispose of the feces in a sanitary manner. Pet owners must also remove animal feces from their own property in a prompt and sanitary manner. Thank you for your co-operation.
