## PROBLEMS & PREVENTION

Since skunks are annoying particularly for their habit of digging up yards to find prey, homeowners should take steps to prevent infestations. Controlling overgrowth and treating yards will reduce attractiveness to skunks. To take further action seal garbage cans, store pet food securely, and remove debris. The Town does have skunk/cat traps available for use but please be advised the Town **DOES NOT TRAP OR DISPOSE** of the animal, due to a liability issue. The Town could be sued for damages caused by the skunk to the homeowner's property.

**TOWN OFFICE CLOSED**

**FIRE PREVENTION WEEK**  
**OCTOBER 6 – 12, 2019**

Most fire deaths and injuries happen in the home and most home fires are preventable. Educating the public about how to identify potential hazards can help reduce the risk of home fires and the consequences such as deaths, injuries and property losses.

- **Create a home fire escape plan showing two ways out of every room. Practice the plan with the entire family by having a home fire drill at least twice a year.**

Visit <https://www.nfpa.org/escapeplan> for an escape plan.

**Choose a meeting place a safe distance away from the home. All household members should be taught to report to the meeting place after leaving the home.**

**One person should then go to a neighbor's house or the nearest phone in a safe location to contact 9-1-1.**

Visit [www.firepreventionweek.org](http://www.firepreventionweek.org) for more information.

## **TAX NOTICES**

The 2019 Tax Notices were sent in the mail July 1, 2019 along with anyone who is set up to receive theirs by e:mail. If you did not receive your bill, please contact the Town Office.
