Garbage & Re-cycle Bins

TJ's Disposal has asked that if you are putting your pets waste in the Garbage that it go into bags before you place it in the Garbage Bin, and if you are putting ashes from your fire pit, to put it in bags (but not to make the Garbage cans too heavy to make the plastic rip)
*** To better understand recycling trends TJ Recycle is starting an audit of recycling containers. Please check the website to make sure you are recycling right!
