UNTIDY YARDS

The Bylaw Officer has been driving around our Town and there are some Homeowners/Renters that are getting Warning Letters and/or Fines for Overgrown Grass & Weeds. If your property is not cleaned up by the date on your Notice then the Town will go in and clean it up and add the fee to the Taxes. We strongly recommend that you have someone maintain your yard as the Town does not want to make a habit of cleaning yards.

The Two Round planters have been SOLD. The
Square pots (24 x 24 x 17) are still available

WATER TREATMENT PLANT UPDATE

In August 2021, the Town of Blaine Lake expects to put into operation its Reverse Osmosis System which will supply quality treated water to its residents.

With this new system, will come a new billing charge on all water bills. A *WTP Capital Asset Fee* of \$75.00 will be stated on water bills received in September (July-August service period). As well, the sewer rate will be charged as a percentage of usage rather than a flat rate. On usage that does not exceed the minimum, the cost is \$24.50 (35% of \$70.00), however, where usage exceeds the minimum, the sewer rate will be calculated on a percentage basis.

The following rates have been approved by the Saskatchewan Municipal Board and took effect on July 1, 2021. The full bylaw can be reviewed on the Town website www.blainelake.ca
