NEW AT YOUR LIBRARY

We have a cool new website, so change your bookmarks! If you haven't visited the website before, take the opportunity to do so and check out what it offers. From access to the

online catalogue and eBooks, to all sorts of databases from world newspapers to auto repair manuals to health. All you need is your library card and PIN number.

FREE access to over 35 subscription-only databases:

Kids InfoBits meets the research needs of students in Kindergarten through Grade 5. It features a developmentally appropriate, visually graphic interface, a subject-based topic tree search and full-text, age-appropriate, curriculum-related magazine, newspaper and reference content for information on current events, the arts, science, health, people, government, history, sports and more. Fun, exciting site!

NOVELIST® K-8 Plus! If you are looking for ways to introduce both teachers and students to new books, and if you want to encourage independent reading and help students think more about why a particular story appeals to them -- you should look at *NoveList® K-8 Plus!* Contains enhanced subject access for over 60,000 fiction titles aimed at the K-8 population. Reviews from sources like *School Library Journal* and *Booklist*.

NOVELIST® Plus! Reader's advisory information for fiction and non-fiction titles with lists of read-alikes, book reviews, feature articles, book discussion guides, and book-talks. This database includes more than 130,000 fiction titles for all ages with subject and keyword access, full text reviews and 36,000 individual subject headings.

AUTO REPAIR REFERENCE CENTER (ARRC)

database contains the most comprehensive collection of automobile repair reference information in the market. ARRC contains information on most major manufacturers of domestic and imported vehicles.

LIBRARY PRESSDISPLAY:

A newspaper collection offering more than 1700 newspapers from 92 countries in 48 languages. A full digital replica of the original newspaper - displayed online exactly as displayed in print, including ads and photos

ENCYCLOPEDIA BRITANNICA ONLINE: enhanced with research tools, history highlights, and current news. Includes the complete encyclopedia, as well as Merriam-Webster's Collegiate Dictionary and Thesaurus, Britannica Student Encyclopedia Britannica Elementary Encyclopaedia, the Concise Britannica; the Internet Guide; the Video Guide; the World Atlas, The Year in Review and Timeline.

iPortal: an indigenous studies portal research tool that connects U of S faculty, students, researchers and members of the community with electronic resources. All the resources for indigenous studies in one place: books, articles, thesis, docs, photographs, archival resources, maps, law, spirituality, governments, and more.

HEALTH & WELLNESS: Information on medicine, medications, wellness, and alternative therapies, from full-text journals and reference sources. **Got a health question?** Need a "go-to" source with credible information that is in-depth yet simple to navigate? Welcome to the **Health & Wellness Resource Center** - a rich, comprehensive resource unparalleled in the online industry. With easy-to-find answers via an intuitive and customizable interface, **Health & Wellness Resource Center** is the first-stop resource for all ages and skill sets
