Mayor and Council  
Town of Blaine Lake  
P.O. Box 10  
Blaine Lake, SK S0J 0J0

Dear Waterworks Owner/Operator:

**RE: Rescinding of Precautionary Drinking Water Advisory**

This letter is to advise that the Water Security Agency (WSA) in consultation with the Saskatchewan Health Authority, Prince Albert Office has by way of this letter rescinded the Precautionary Drinking Water Advisory (PDWA) issued on Oct 14, 2020, to the Town of Blaine Lake on **Oct 16, 2020, effective immediately**. This advisory has been rescinded after consecutive sets of samples obtained from the distribution system have returned acceptable results and the system has been flushed.

I would advise the Town to issue immediate notice to the public of the rescinding of the advisory. Further, the Town may return to its regular sampling intervals. If a positive sample is realized upon immediate return to regular sampling submission, the Water Security Agency may, if believed necessary, consider the issuance of a new PDWA.

Thank you for your cooperation in this regard. For further information, please do not hesitate to contact the undersigned at 230-3184.

Sincerely,

Lee Reinhart for:
