RE: A Bylaw to Amend Bylaw No 04/2025 Mill Rate Bylaw

RECOMMENDATION

That Bylaw 05/2025 be given three readings at this meeting.

BACKGROUND

In reviewing The Municipalities and The Municipality Regulations, municipalities are not able to charge a separate mill rate factor for Multi-Family Residential Property. Unfortunately, there will be a reduction in property taxes for this class of property. To make up for the shortfall of \$400, the mill rate is proposed to be increases to 6.1.
