

Invitation to Tender Vegetation Control

The Town of Blaine Lake invites qualified contractors to submit tenders for vegetation control for the 2026 season.

Scope of Work

1. SK Highway 12 Signage Corridor

The contractor shall maintain the Town's signage corridor located approximately three (3) kilometers south of Blaine Lake on Highway 12.

Services shall include:

- Grass cutting and mowing of all designated green space areas.
- String trimming around signposts, fences, trees, utility poles, shrubs, guard rails, and other obstacles and impediments within the maintenance area.
- Removal of grass clippings from signs, roadways, and other hard surfaces as required.
- Maintaining the area in a neat and professional condition throughout the growing season.

2. Untidy Property Maintenance

From time to time, the Town may require grass cutting and trimming services on properties declared untidy pursuant to municipal bylaws.

Services shall include:

- Mowing grass and weeds.
- String trimming around buildings, fences, trees, posts, and other obstacles.
- General site clean-up associated with mowing operations.

Prior to undertaking work on an untidy property, the contractor shall inspect the property, provide the Town with an estimate of the number of hours required to complete the work, and obtain approval from the Town before commencing work.

*The Town does not guarantee any minimum number of untidy property assignments.

Contractor Responsibilities

The successful contractor shall provide and be responsible for labour, equipment, fuel and oil, equipment maintenance and repairs, transportation, PPE, liability insurance, WCB coverage, and all required permits and licenses.

Contract Term: July 15, 2026, to October 31, 2026

Tender Submission Requirements

Company Information:

- Business name
- Contact person
- Mailing address
- Telephone number
- Email address

Experience and References:

- Description of experience performing similar work
